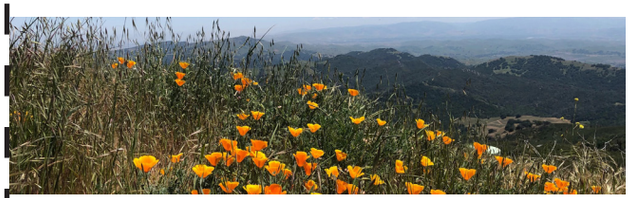
Over 35,000 visitors...

...access the mountain through Mitchell Canyon on Mount Diablo's NW slope each year, yet the facilities currently on site severely limit who can visit the park.

The current facilities are cramped, aging, and inaccessible.

The portable trailer, parking lot, and restrooms are not ADA-compliant. Inadequate parking prohibits school buses from bringing field trips to Mount Diablo and there is no space for classes, presentations, or workshops.



Mount Diablo State Park recently celebrated its Centennial!

What better way to launch the park's next one hundred years than a modern and welcoming new educational center to inspire future generations to promote and protect this treasure for the future?

Please join us in inspiring new protectors and champions of Mount Diablo with a tax-deductible contribution. *Your gift will leave a legacy of education, protection, and wonder for present and future generations!*
